

Malaysia

7 July 2025

The Malaysian Ecclesia remains focused on public preaching, teaching the Word of God, and care and support for brothers and sisters of diverse needs, looking forward to continued growth and the return of Christ.

We conduct two seminars every weekend on foundational Gospel Truths and Prophecy, contextualized within current events. Eight more new interested friends were added in 2025, drawn

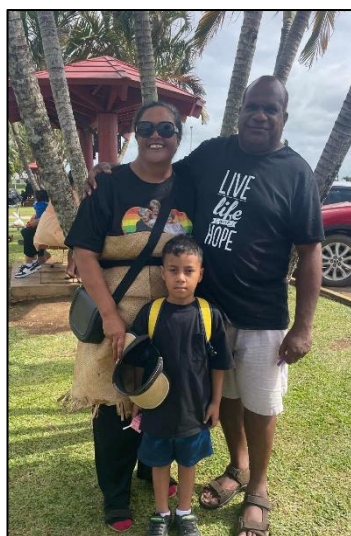

by our seminar campaigns on end time prophecies and post-return-of-Christ events. These new interested friends remain active. Furthermore, the return of Brother CK Yap in 2025, after eight years of absence and personal challenges, stands as a significant providential blessing, highlighting God's healing and restorative power.

Despite delays in obtaining advertising approvals from authorities, the Ecclesia proceeded with its seminars relying solely on word-of-mouth and

networking within our existing community. The response was incredibly positive and encouraging, exceeding our expectations. We express our thanks and praise to God for this blessing.

Tonga

The Tonga Ecclesia continues its mission with steady commitment to spiritual growth, ecclesial fellowship, and outreach, despite challenges such as health concerns, economic hardship, and isolation. A highlight of the past year was the encouraging and spiritually refreshing visit from the Perrott family and Ari and Jordanna Burley, whose time in Tonga made a lasting impact on both individuals and the ecclesia as a whole.

The ecclesia currently has six active members, with a few regular friends and young people attending meetings. Weekly Memorial Meetings and Bible Classes continue in the ACBM mission house. The ecclesia has faced several recent challenges, including the tragic loss of two members. The Tongan ecclesia is actively working

to send five young people to South Pacific Youth Conference in the Solomon Islands (December 2025), God willing. We are thankful for the ongoing support of the ACBM and look forward to the continued strengthening of our spiritual family across the Pacific.
